- 5.5 As directed by Customer, bring, defend, or settle lawsuits involving the Account or the Assets at the sole expense of the Account.
- 5.6 Withhold delivery or distribution of Assets that are the subject of a dispute pending final adjudication of the dispute by a court of competent jurisdiction.

SECTION 6: PURCHASES

6.1 Upon the receipt of directions from Customer, Bank shall settle Customer's purchases of securities on a contractual settlement basis. For the purposes of §9-206 of the Uniform Commercial Code, Customer acknowledges that its legal obligation to pay the purchase price to Bank for such purchases arises immediately at the time of the purchase. Customer hereby covenants and agrees that (i) it shall not instruct Bank to sell any Asset until such Asset has been fully paid for by Customer, and (ii) Customer shall not engage in any practice whereby Customer relies on the proceeds from the sale of an Asset to pay for the earlier purchase of the same Asset.

SECTION 7: SALES

7.1 Upon receipt of directions from Customer, Bank will deliver Assets held by it as Bank under this Agreement and sold by or for Customer against payment to Bank of the amount specified in such directions in accordance with the then current securities industry practices and in form satisfactory to Bank. Customer acknowledges that the current securities industry practice for physical securities is for physical delivery of such securities against later payment on delivery date. Bank agrees to use commercially reasonable efforts to obtain payment therefor during the same business day, but Customer confirms its sole assumption of all risks of payment for such deliveries. Bank assumes no responsibility for the risks of collectability of checks received for the Account.

SECTION 8: SETTLEMENTS

- 8.1 Bank shall provide Customer with settlement of all purchases and sales of Assets in accordance with Bank's instruction-deadline schedule provided that Bank has all the information necessary and the Account has all the Assets necessary to complete the transaction.
- 8.2 To avoid a deficiency in the Account, if the Account does not have sufficient funds to pay for an Asset, Customer covenants and agrees that (i) it shall not initiate any trade without sufficient Assets to settle such trade, and (ii) Customer shall not notify any third party that Bank will settle the purchase of an Asset. Customer covenants and agrees that it will not allow or direct anyone else to act contrary to (i) and (ii) above.
- 8.3 Bank shall not be liable or responsible for or on account of any act, omission, default, or insolvency of any broker, bank, trust company, person, or other agent designated by Customer to purchase or sell securities for the Account.

SECTION 9: VALUATION; CLIENT-CONTROLLED ASSETS

- 9.1 For purposes of reporting the value of an Asset on an Account statement:
- 9.1.1 Bank will report a value that is (i) provided to Bank by a third-party pricing vendor or (ii) readily determinable on an established market, if such value is available to Bank when preparing the statement.
- 9.1.2 If such value is unavailable, Customer will, upon Bank's request, direct Bank as to the value; Bank will then report such value. Absent such a direction, Bank will report the most recent value that Bank received from the Asset's broker, fund accountant, general partner, issuer, investment manager, transfer agent, or other service provider (commonly known as a pass-through price).
- 9.1.2.1 To the extent the value of an Asset is so reported, Customer hereby represents and warrants as follows: (i) Customer received, read, and understood any governing documents (such as a limited liability company agreement, limited partnership agreement, trust agreement, or declaration of trust), offering documents (such as a fact sheet, offering circular, offering memorandum, private placement memorandum, prospectus, or summary description), and subscription documents (such as an adoption agreement or subscription agreement) for the Asset; understands the Asset's eligibility requirements, fees and expenses, transfer and withdrawal limitations, type, category, issuer, objectives, principal strategies and risks, current underlying investments, and the identity of the Asset's administrator, investment advisor, auditor, and other service providers (and any affiliations among them) and the services they provide, respectively, to the Asset and the compensation they receive therefor.
(ii) Such value reflects such documents, investment-related information, service-provider information, and fee-and-expense information.
- 9.1.2.2 Customer covenants and agrees that it will under no circumstances provide Bank with a security issued by Customer or Customer's affiliates, or direct Bank to purchase a security issued by Customer or Customer's affiliates, unless the value of such security is readily determinable on an established market.
- 9.1.3 Customer hereby acknowledges that Bank is performing a routine, ministerial, non-discretionary valuation function; that the reported value might be neither fair market value nor fair value (under Accounting Standards or applicable law); and that the reported value is not a substitute for (i) investigating the Asset's value in connection with a decision to acquire, hold, dispose of, or exchange any securities or other investment property; (ii) obtaining and ensuring the reliability of an independent third-party appraisal with respect to such a decision; or (iii) obtaining InvestmentAdvice.
- 9.1.4 Upon Customer's request, Bank will provide Customer with information about Bank's pricing sources and methodologies.
- 9.2 Customer may direct Bank from time to time to include in the Account statements specific Client-controlled Assets that are registered in the name of Customer. In such a case, Bank has the right to exclude such assets from the Account statements or to include them with a notation about control. To the extent Bank includes them, Customer hereby acknowledges that:
- 9.2.1 Customer is responsible for reviewing (i) the Account statements to ensure that they include notations about the control of each such asset and (ii) any third-party reports made accessible by Bank to ensure that they do not inaccurately identify the holder of any such assets;
- 9.2.2 Bank is not responsible for performing any duties under this Agreement (other than statement-reporting duties, as limited herein) with respect to such assets, and Customer assumes all such duties.
- 9.2.3 When furnishing Account statements or making third-party reports accessible, Bank may rely on information provided by Customer or by Customer's agents, affiliates, or representatives with respect to such assets (including, but not limited to, information on the units, value, or marketability of such assets) without questioning the information. To that end, Customer will cause each holder of such assets to provide Bank with a copy of such holder's periodic Customer account statements with respect to such assets.
- 9.2.4 Such assets are subject to the Fee Schedule between Customer and Bank.

SECTION 10: LIMITATIONS ON DUTIES

- 10.1 Customer hereby acknowledges that Bank does not provide any services under this Agreement (i) in a “fiduciary capacity” within the meaning of 12 CFR Section 9.2(e) or (ii) as a “fiduciary” as such term may be defined in State law or otherwise.
- 10.2 The duties of Bank will be strictly limited to those set forth in this Agreement, and no implied covenants, duties, responsibilities, representations, warranties, or obligations shall be read into this Agreement against Bank. Without limiting the generality of the foregoing, Bank shall have no duty to:
- 10.2.1 Evaluate or to advise anyone of the prudence, suitability, or propriety of action or proposed action of Customer in any particular transaction involving an Asset or the suitability or propriety of retaining any particular investment as an Asset; review, question, approve, or make inquiries as to any investment directions received under this Agreement; or review the securities or other property held in the Account with respect to prudence or diversification.
- 10.2.2 Act as trustee of the Assets.
- 10.2.3 Act as custodian of any assets other than the Assets.
- 10.2.4 Act as investment manager of the Assets, except to the extent the Assets are subject to Bank’s discretion to manage under a separate written investment-management agreement (if any).
- 10.2.5 Provide Investment Advice.
- 10.2.6 Determine, monitor, or collect any contributions to the Account or monitor compliance with any applicable funding requirements.
- 10.2.7 Inspect, review, or examine any Client-controlled Asset or governing, offering, subscription, or similar document with respect thereto, to determine whether the asset or document is authentic, genuine, enforceable, properly signed, appropriate for the represented purpose, is what it purports to be on its face, or for any other purpose, or to execute such document, regardless of whether Bank has physical possession of such asset or document.
- 10.2.8 (i) Collect any income, principal, or other distribution due and payable on an Asset if the Asset is in default or if payment is refused after due demand or (ii) except as expressly provided herein, to notify Customer in the event of such default or refusal.
- 10.2.9 Provide notice of, or forward, mini-tenders (which are tender offers for less than 5% of an outstanding equity or debt issue) for any equity issue or, if any of the following is true, for any debt issue: The debt is not registered with the SEC. The debt issue has a “first received, first buy” basis with no withdrawal privilege and includes a guarantee of delivery clause. Or, the tender offer includes the statement that “the purchase price includes all accrued interest on the note and has been determined in the sole discretion of the buyer and may be more than or less than the fair market value of the notes” or similar language.
- 10.2.10 Question whether any direction received under this Agreement is prudent or contrary to applicable law; to solicit or confirm directions; or to question whether any direction received under this Agreement by email or Messaging System, or entered into Customer’s account in Bank’s on-line portal, is unreliable or has been compromised, such as by identity theft.
- 10.2.11 Calculate, withhold, prepare, sign, disclose, file, report, remit, or furnish to any taxing authority or any taxpayer any federal, state, or local taxes, tax returns, or information returns that may be required to be calculated, withheld, prepared, signed, disclosed, filed, reported, remitted, or furnished with respect to the Assets or the Account, except to the extent such duties are required by law to be performed only by Bank in its capacity as custodian under this Agreement or are expressly set forth herein.
- 10.2.12 Monitor agents hired by Customer.
- 10.2.13 Maintain or defend any legal proceeding in the absence of indemnification, to Bank’s satisfaction, against all expenses and liabilities which it may sustain by reason thereof.
- 10.2.14 Advance funds or securities or otherwise expend or risk its own funds or incur its own liability in the exercise of its powers or rights or performance of its duties under this Agreement.

SECTION 11: AUTHORIZED PERSONS; DELIVERY OF DIRECTIONS

- 11.1 Customer has identified the “Designated Agent”, who is authorized to act on Customer’s behalf, on the Application. Customer may also identify additional agents that are authorized to act on Customer’s behalf by giving Bank an authorization letter setting forth the name of such agent. Customer shall provide to bank in writing any limits on the Designated Agent’s authority or any additional agent’s authority to act on Customer’s behalf hereunder. Absent any such limits to the contrary, the Designated Agent and any additional agent is authorized to exercise any right and fulfill any duty of Customer hereunder, including, but not limited to, any authority to direct Bank. Customer consents to Bank providing any agent access to customer account information and other confidential information relating to Customer upon such agent’s request. For the avoidance of doubt, any agent shall have the right to self-impose more restrictive limitations on their authority than what Customer has authorized, for regulatory purposes or otherwise, by providing such additional self-imposed limitations to Bank in writing and Bank’s written confirmation of acceptance of such limitations. In no event is any agent authorized to amend the Agreement or terminate the Agreement.

- 11.2 In the event that the Designated Agent sends an invoice to Bank and instructs Bank to have the Account pay the invoice, Customer directs Bank to pay any such invoice as presented. Bank is hereby protected and shall incur no liability for acting on such direction and Bank shall have no duty or obligation to establish or investigate whether such invoice was limited to the payment of adviser fees (as agreed between Customer and the Designated Agent or otherwise) or for other purposes.
- 11.3 Bank may assume that any agent continues to be so authorized, until Bank receives notice to the contrary from Customer.
- 11.4 Customer hereby represents and warrants that any agent is duly appointed and is appropriately monitored by Customer and covenants that Customer will furnish such agent with a copy of this Agreement, as amended from time to time, and with a copy of any communications given under this Agreement to Customer. Customer hereby acknowledges that (i) any agent's actions or omissions are binding upon Customer as if Customer had taken such actions or made such omissions itself and (ii) Bank is indemnified, released, and held harmless accordingly.
- 11.5 Any direction, notice, or other communication provided for in this Agreement will be given in writing and (i) unless the recipient has timely delivered a superseding address under this Agreement, addressed as provided under this Agreement, (ii) entered into Customer's account in Bank's on-line portal, or (iii) sent to Bank by Messaging System.
- 11.6 Any direction received under this Agreement by email or Messaging System, entered into Customer's account in Bank's on-line portal, or confirmed by phone as provided below, is deemed to be given in a writing signed by the sender. Customer hereby represents and warrants that Customer maintains commercially reasonable security measures for preventing unauthorized access to its phone designated in the Application, to its portal account; to the email accounts of its agents, and agents' employees; and to any Messaging System used by its agents, and agents' employees, and Customer hereby assumes all risk to the Account of such unauthorized access. Customer hereby acknowledges that Customer is fully informed of the protections and risks associated with the various methods of transmitting directions to Bank and that there may be more secure methods of transmitting directions than the methods selected by Customer and Customer's agents.
- 11.7 In the event that the Designated Agent directs Bank to send data elements listed under the U.S. Bank Information Security Policy as U.S. Bank Customer Confidential Data Elements and other regulatory protected data (collectively, "Protected Data") using something other than Bank's own secure encryption transmission mechanism ("Bank Encryption"), Customer agrees that (a) Bank has no responsibility or liability for questioning, evaluating, or monitoring any vendor, software, or process utilized by the Designated Agent to send Protected Data, (b) any substitute for Bank Encryption that the Designated Agent directs Bank to use is deemed to be at least as protective as Bank Encryption regardless of the vendor, service, or process used, and (c) Bank is fully released, held harmless, and indemnified by Customer in all aspects relating to any direction from the Designated Agent to communicate information about the Account without using Bank Encryption.
- 11.8 Customer acknowledges that, in certain circumstances, Bank may need or elect to contact Customer via phone to confirm an instruction relating to the Account. In such circumstances, Customer understands that Bank will use the phone number designated in the Application and Customer expressly authorizes the Bank to act on any confirmation or instruction provided by the individual with such telephone number. In the event that Customer wishes to add additional phone contacts who are authorized relating to the Account, Customer shall contact Bank for its then-current authorization form for such purposes. Customer understands that Bank shall not be liable for any act taken upon an oral instruction received by Bank when Bank has called such number.
- 11.9 Delivery of Directions.
- 11.9.1 Any direction, notice, or other communication provided for in this Agreement will be given in writing and (i) unless the recipient has timely delivered a superseding address hereunder, addressed as provided hereunder, (ii) entered into Customer's account in Bank's on-line portal, or (iii) sent to Bank by SWIFT message from business identifier code (or any other business identifier code that Customer subsequently designates pursuant to this Agreement).
- 11.9.2 Any direction received under this Agreement by email or SWIFT message, or entered into Customer's account in Bank's on-line portal, is deemed to be given in a writing signed by the sender. Customer hereby represents and warrants that Customer maintains commercially reasonable security measures for preventing unauthorized access to its portal account, to the email accounts of its employees, agents, and agents' employees, and to any SWIFT messaging system used by its employees, agents, and agents' employees, and Customer hereby assumes all risk to the Account of such unauthorized access. Customer hereby acknowledges that Customer is fully informed of the protections and risks associated with the various methods of transmitting directions to Bank and that there may be more secure methods of transmitting directions than the methods selected by Customer and Customer's agents.

SECTION 12: FEES AND EXPENSES

- 12.1 Customer shall pay Bank compensation for providing services under this Agreement as agreed between Bank and Customer. Bank may also receive compensation from certain mutual funds as outlined in the Mutual Fund Compensation Disclosure.
- 12.2 Customer shall reimburse Bank for expenses, fees, costs, and other charges incurred by Bank in providing services under this Agreement (including, but not limited to, compensation, expenses, fees, costs, and other charges payable to service providers hired under this Agreement).

- 12.3 To the extent of (i) any outstanding compensation, expenses, fees, costs, or other charges incurred by Bank in providing services under this Agreement or (ii) Customer's other indebtedness to Bank, Customer hereby grants Bank a first-priority lien and security interest in, and right of set-off against, the Assets. Bank may execute that lien and security interest, and exercise that right, at any time.
- 12.4 To the extent of any advance of funds or securities under this Agreement, Customer hereby grants Bank a first-priority lien and security interest in, and right of set-off against, the Assets. Bank may execute that lien and security interest, and exercise that right, at any time. Furthermore, nothing in this Agreement constitutes a waiver of any of Bank's rights as a securities intermediary under Uniform Commercial Code §9-206.

SECTION 13: INDEMNIFICATION

- 13.1 Customer hereby indemnifies and releases each Indemnified Person and holds each Indemnified Person harmless from and against, and an Indemnified Person will incur no liability to any person or entity for, any Harm that may be imposed on, incurred by, or asserted against an Indemnified Person by reason of the Indemnified Person's action or omission in connection with this Agreement or the Account (including, but not limited to, an action or omission that is consistent with directions provided under this Agreement), except to the extent that a court of competent jurisdiction has made a final judgment that the Harm resulted directly from the Indemnified Person's willful misconduct, gross negligence, bad faith, or material breach of this Agreement. Regardless of any determination relating to Bank's conduct, Customer agrees to indemnify, hold harmless, and release Bank from any Claim relating to (i) the action or inaction of the Designated Agent, or (ii) any action taken or omitted by Bank in reliance on any information, instruction, or direction provided by the Designated Agent. The foregoing provisions shall survive the Indemnified Person's termination as such and the termination of this Agreement.
- 13.2 No party is liable for any delay or failure in performing its obligations under this Agreement caused by wars (whether declared or not and including existing wars or the invocation of war powers), revolutions, insurrections, riots, civil commotion, acts of God, medical emergencies, outbreak of disease, pandemic or epidemic, accidents, fires, explosions; stoppages of labor, strikes, or other differences with employees (other than Bank's disputes with its employees); laws, regulations, orders, or other acts of any governmental authority; or any other circumstances beyond its reasonable control regardless of whether such was already in existence at the time of execution of this Agreement. Nor will any such failure or delay give any party the right to terminate this Agreement.
- 13.3 No party is liable for any indirect, incidental, special, punitive, or consequential damages arising out of or in any way related to this Agreement or the performance of its obligations under this Agreement. This limitation applies even if the party has been advised of, or is aware of, the possibility of such damages.
- 13.4 Bank is not liable with respect to the propriety of Bank's actions or omissions reflected in a statement provided under this Agreement, except to the extent (i) a Statement Recipient objects to Bank within ninety (90) calendar days after delivery of such statement or (ii) such acts or omissions could not be discovered through reasonable examination of such statement.

SECTION 14: TERMINATION

- 14.1 This Agreement terminates upon the effective date of Bank's resignation or removal under this Agreement.
- 14.2 Bank may resign under this Agreement by notice to Customer. Customer may remove Bank under this Agreement by notice to Bank. The resignation or removal shall be effective thirty (30) calendar days after delivery of the notice, except to the extent the parties agree in writing to a different effective date. By such effective date, Customer shall appoint a new custodian and notify Bank of the appointment. If Customer fails to do so, Bank shall have the right to petition a court at Account expense for appointment of a new custodian. Upon receiving notice of such appointment, Bank will transfer Assets to the new custodian as directed by Customer or the court, as the case may be. However, Bank shall not be required to transfer any Assets until Bank has received payment or reimbursement for all (a) compensation, expenses, fees, costs, or other charges incurred by Bank in providing services under this Agreement and (b) funds or securities advanced under this Agreement.

SECTION 15: MISCELLANEOUS

- 15.1 Freedom to Deal with Third Parties. Bank is free to render services to others, whether similar to those services rendered under this Agreement or of a different nature.
- 15.2 Binding Obligations. Customer and Bank each represent and warrant that (i) it has the power and authority to transact the business in which it is engaged and to execute, deliver, and perform this Agreement and has taken all action necessary to execute, deliver, and perform this Agreement and (ii) this Agreement constitutes its legal, valid, and binding obligation enforceable according to the terms hereof. This Agreement binds, and inures to the benefit of, Customer, Bank, and their respective permitted personal representatives, estates, heirs, successors, and assigns.
- 15.3 Complete Agreement; Amendment.
- 15.3.1 Complete Agreement. This Agreement contains a complete statement of all the arrangements between the parties with respect to its subject matter and supersedes any existing agreements between them concerning the subject.

- 15.3.2 Amendment. This Agreement may be amended at any time, in whole or in part, by a written instrument signed by Customer and Bank. Notwithstanding the foregoing, if the terms of the Fee Schedule between Customer and Bank set forth a method for amending such exhibit, then such terms alone govern amendments thereto.
- 15.3.3 Control Agreements. If Customer requests that Bank execute a “control agreement” (or similarly titled agreement) with a third-party which pledges, hypothecates, or assigns rights in the Assets to that third-party and involves obligations of Bank to that third-party (which may be affiliates of Bank or Bank’s lending divisions), then the terms and requirements of such agreement concerning such Assets shall supersede and control the provisions of this Agreement. Notwithstanding the foregoing, nothing in such Agreement shall be deemed to alter Bank’s rights under Section 12.4 of this Agreement.
- 15.4 Governing Law; Venue. This Agreement will be governed, enforced, and interpreted according to the laws of the State without regard to conflicts of laws, except where pre-empted by federal law. All legal actions or other proceedings directly or indirectly relating to this Agreement will be brought in federal court (or, if unavailable, state court) sitting in the State. The parties submit to the jurisdiction of any such court in any such action or proceeding and waive any immunity from suit in such court or execution, attachment (whether before or after judgment), or other legal process in or by such court. To the extent that Bank or Customer may be entitled to claim, for itself or its assets, immunity from suit, execution, attachment (whether before or after judgment) or other legal process, each hereby irrevocably agrees not to claim, and hereby waives, such immunity.
- 15.5 Successors and Assigns.
- 15.5.1 This Agreement binds, and inures to the benefit of, Customer, Bank, and their respective successors and assigns.
- 15.5.2 No party may assign any of its rights under this Agreement without the consent of each other party, which consent will not be unreasonably withheld. Customer hereby acknowledges that Bank will withhold consent unless and until Bank verifies an assignee’s identity according to Bank’s Customer Identification Program and, to that end, Customer hereby agrees to notify Bank of such assignment and provide Bank with the assignee’s name, physical address, EIN, organizational documents, certificate of good standing, and license to do business, as well as other information that Bank may request. No consent is required if a party merges with, consolidates with, or sells substantially all of its assets to another entity, provided that such other entity assumes without delay, qualification, or limitation all obligations of that party under this Agreement by operation of law or by contract.
- 15.6 Severability. The provisions of this Agreement are severable. The invalidity of a provision herein will not affect the validity of any other provision.
- 15.7 No Third-Party Beneficiaries. This Agreement is made solely for the benefit of the parties. No person other than such parties has any rights or remedies under this Agreement.
- 15.8 Solvency. Customer hereby represents and warrants that Customer is neither insolvent nor subject to any pending bankruptcy proceeding. Customer will promptly notify Bank of any such insolvency or proceeding.
- 15.9 Tax-Lot Selection Method. Customer has made its designation in the Application.
- 15.10 Shareholder Communications Act Election. Customer has made its election in the Application.
- 15.11 Abandoned Property. Bank will escheat Assets pursuant to the applicable state’s abandoned property, escheat, or similar law (“Escheatment”), and Bank shall be held harmless therefrom. If you have designated an Escheatment Representative in the Application, when the Account or Assets become eligible for Escheatment, Bank will make one additional attempt of contact (or further attempts if expressly mandated by an Escheatment law) using the name and mailing address or name and e-mail address of the Escheatment Representative. The designation of an Escheatment Representative does not convey any property interest or ability to control or access the Account to the Escheatment Representative. The Escheatment Representative will be asked to provide Customer’s current location and how Bank might reestablish contact with Customer. In some states, the Escheatment Representative’s confirmation of Customer’s location and a statement that Customer has not abandoned any shares of any mutual fund may delay the Escheatment of mutual fund shares, even if Bank is still unable to contact Customer. You are not required to designate an Escheatment Representative. The option to appoint an Escheatment Representative is not legal advice from Bank. Bank makes no recommendation as to whether or not to appoint an Escheatment Representative. If Customer has designated an Escheatment Representative in the Application, Customer represents and warrants that the Escheatment Representative is reliable and responsive to communications via the designated method of contact. Customer covenants to update Bank as to any changes to the Escheatment Representative’s designated method of contact and to remove or replace the Escheatment Representative in the event that it has been more than two years since Customer has been in contact with Escheatment Representative. The provisions of this Section shall survive the termination of this Agreement.
- 15.12 Legal Advice. Customer hereby acknowledges that it (i) did not receive legal advice from Bank concerning this Agreement, (ii) had an adequate opportunity to consult an attorney of its choice before executing this Agreement, and (iii) executed this Agreement upon its own judgment and, if sought, the advice of such attorney.
- 15.13 Waiver of Jury Trial. Each party hereby irrevocably waives all right to a trial by jury in any action, proceeding, claim, or counterclaim (whether based on contract, tort, or otherwise) directly or indirectly arising out of or relating to this Agreement.
- 15.14 Legal Action. If Bank is served with a Legal Action, then Bank will, to the extent permitted by law, use commercially reasonable efforts to notify Customer of such service. Customer will reimburse Bank for any expenses, fees, costs, or other charges incurred

by Bank in responding to the Legal Action, including, but not limited to, any fees charged by an attorney of Bank's choice. If Customer notifies Bank that Customer is seeking a protective order to resist the Legal Action, then Bank will provide reasonable cooperation at Customer's request and sole cost and expense. In any event, Bank may comply with the Legal Action at any time, except to the extent Bank has received a protective order that prevents Bank from complying. Any Legal Action is subject to Bank's right of setoff and Bank's security interest in the Account. Bank may assess a service fee against the Account for any Legal Action served on Bank regardless of whether the process is subsequently revoked, vacated, or released. Unless expressly prohibited by law, Bank will set off or enforce Bank's security interest against the Account for such fee prior to Bank's honoring the Legal Action. Bank will not be liable to Customer if an attachment, a hold, or the payment of Bank's fee from the Account leaves insufficient funds or results in the sale of Assets.

- 15.15 Interpleader. With respect to Assets that are the subject of a dispute, Bank may file an interpleader action or other petition with a court of competent jurisdiction for directions with respect to the dispute. Customer will reimburse Bank for any expenses, fees, costs, or other charges incurred by Bank in filing such petition and implementing such directions, including, but not limited to, any fees charged by an attorney of Bank's choice. Before disbursing Assets pursuant to such directions, Bank will deduct therefrom an amount in payment or reimbursement for all (i) compensation, expenses, fees, costs, or other charges incurred by Bank in providing services under this Agreement and (ii) funds or securities advanced under this Agreement.
- 15.16 Representations and Warranties. Customer hereby covenants that, if any of the representations or warranties that it provides in this Agreement becomes inaccurate or incomplete, it will promptly notify Bank thereof and of any fact, omission, event, or change of circumstances related thereto.
- 15.17 Publicity. No party will disclose the existence of this Agreement or any terms thereof in advertising, promotional, or marketing materials without obtaining, in each case, the prior written consent of each other party.
- 15.18 Counterparts and Duplicates. This Agreement may be executed in any number of counterparts, each of which shall be considered an original, but all of which together shall constitute the same instrument. This Agreement and any administrative form under this Agreement may be proved either by a signed original or by a reproduced copy thereof (including, not by way of limitation, a microfiche copy or an electronic file copy).
- 15.19 Effective Date. This Agreement will become effective when all parties have signed it. The date of this Agreement will be the date this Agreement is signed by the last party to sign it (as indicated by the date associated with that party's signature).

SECTION 16: DEATH OF CUSTOMER

- 16.1 Upon the death of Customer, Bank must be provided with an original death certificate and any additional documentation as Bank shall request. Bank shall not be required to take any action with respect to the Account (including, but not limited to: transfers, changes in title, changes in tax identification numbers, change or step-up in cost basis, or otherwise) until Bank has been provided evidence demonstrating the permissibility of such acceptable to Bank in its sole satisfaction.

SECTION 17: OWNERSHIP

- 17.1 Nothing in this Agreement is intended to create or extinguish any community property rights and Bank has no responsibility whatsoever to determine whether the Account or the Assets (or any portion thereof) are or continue to be deemed community property at law. Customer must consult with their own attorney or financial advisor as to whether and how to effect any change in actual ownership of the Account or the Assets. The Account is not a joint account and Customer agrees that in the event that Customer wishes to appoint another owner or attribute joint ownership rights to the Assets, Customer will (a) execute a custody agreement together with the joint owner, (b) direct the transfer of Assets subject to joint ownership from this Account to the custody account subject to the joint ownership agreement, and (c) terminate this Account and this Agreement to the extent that no Assets are intended to stay subject to the ownership of Customer.

SECTION 18: TRANSFER ON DEATH DESIGNATIONS

- 18.1 In the event that Customer wishes to designate the Account or Assets as Transfer on Death ("TOD" for the purposes of beneficiary form registration), Customer agrees the following for the purposes of Ohio's "Uniform Transfer-on-Death Security Registration Act: (a) Bank is the registering entity, (b) the Account is a "security account", (c) the Bank's headquarters and "main office" for the purpose of its charter as a national banking association is in Cincinnati, Ohio, (d) for all purposes, including the purposes of §1709.03 of Ohio Revised Code, the registration of the Account in TOD form is being made in Ohio and subject to Ohio law, and (e) Bank is entitled to any and all protections under this Agreement with regard to such registration, as well as any protections available to a registering entity under the Uniform Transfer-on-Death Security Registration Act. Bank shall have the right to refuse to register the Account or any Assets as TOD, in Bank's sole discretion. Customer agrees to execute Bank's TOD agreement.

SECTION 19: POWER OF ATTORNEY

19.1 In the event that Customer appoints an attorney-in-fact with powers to handle Customer's banking affairs, Customer agrees to ensure that the attorney-in-fact executes any certifications or affidavits required or requested by Bank relating to the appointment and authorization of such attorney-in-fact. To the extent that this Agreement is executed by an attorney-in-fact, such attorney-in-fact agrees to execute any certifications or affidavits required or requested by Bank.

SECTION 20: PATRIOT ACT

20.1 By signing above, Customer acknowledges that they have received the following important information:

20.1.1 To help the United States fight the funding of terrorism and money laundering activities, U.S. law requires U.S. Bancorp, like other financial institutions, to obtain, verify, and record information that identifies each customer that opens an account.

20.1.2 When you open an account with us, we will ask for your legal name, address, date of birth, tax identification number, and other identifying information that will assist us with identifying you. We may also ask to see your photo identification (driver's license) or other identifying documents.

SECTION 21: EXECUTING BROKER REFERRAL

21.1 Bank has created a broker-dealer referral network with various independent broker-dealers. Pursuant to separate agreements between Bank and each broker, Bank has agreed to introduce these brokers to independent registered investment advisers whose clients have, or may have in the future, custody accounts with Bank and who may wish to engage a broker to execute trades and effect securities transactions for its clients' custody accounts. Bank will receive compensation from the relevant broker in connection with such referrals. To the extent that transactions for your account are executed by a broker-dealer that participates in Bank's broker-dealer referral network, Bank will receive a referral fee from such broker as described in more detail below.

21.2 To the extent that transactions for your account are executed by a broker-dealer that participates in Bank's broker-dealer referral network, Bank will receive a referral fee from such broker as described in more detail below:

Broker: Jones Trading

Referral fee payable to U.S. Bank: 50% of the brokerage fees generated by transactions executed on behalf of your account.

21.3 Bank's introduction of independent registered investment advisers to broker is not a recommendation of such broker or its services or in any way an endorsement of such broker or its services. Bank's introduction is based solely upon the broker's agreement to pay the referral fees noted above and Bank's determination that Bank can interface with the broker to provide custody services to the independent registered investment adviser's clients.

21.4 Bank is not affiliated in any manner with any broker that participates in Bank's broker-dealer referral network other than the relationship created by the referral agreement between them.

21.5 For more information regarding the referral arrangement, a current list of broker-dealers that participate in the Bank referral network, and the compensation that Bank expects to receive therefor, please contact your Account's customer service manager.

SECTION 22: FOREIGN ASSETS; FOREIGN CURRENCY EXCHANGE TRANSACTION

22.1 Customer hereby directs Bank to convert into U.S. Dollars any entitlement payments received by the Account with respect to foreign securities (such as corporate actions, maturities, income posting, credit interest, or tax reclamation) and execute any foreign-currency exchange transactions with respect thereto through Bank's Foreign-Exchange Department ("USBFX").

22.2 Customer hereby directs Bank to execute any foreign-currency exchange transactions with respect to purchases or sales of foreign securities in the Account through USBFX, except to the extent market circumstances in certain countries require the use of a global custodian unaffiliated with Bank (an "Unaffiliated Agent").

22.3 Customer hereby acknowledges that Bank receives compensation when Bank executes foreign-currency exchange transactions related to Account assets. Such compensation does not exceed 0.5% of the amount of the foreign-currency exchange transaction.

22.4 Customer hereby acknowledges that an Unaffiliated Agent receives compensation when the Unaffiliated Agent executes foreign-currency exchange transactions with respect to purchases or sales of foreign securities in the Account. Such compensation may be more or less than the compensation Bank would have received for executing the same foreign-currency exchange transaction.

22.5 Customer hereby acknowledges that investments in foreign securities and foreign-currency exchange transactions entail additional risks, such as default by counter-parties, currency fluctuations, political and economic instability, accounting-translation adjustments, and foreign taxation. Bank has no liability for any risks relating to Customer's investments in foreign securities or foreign-currency exchange transactions.

22.6 Customer understands that the holding of certain foreign securities or American Depositary Receipts ("ADRs") requires disclosure of Customer's personal information to vendors, sub-custodians, or local tax authorities in foreign jurisdictions to avoid tax penalties on such foreign securities or ADRs. Customer consents to any and all disclosures or releases of information by Bank (including private information about Customer, the Account, the amount of holdings) to third parties relating to foreign securities or ADRS and releases, holds harmless, and indemnifies Bank from any cost and all liability for doing so. Bank is not hereby obligated to make any such disclosure to third parties, so any failure to do so shall not constitute a breach hereunder. Customer accepts all risk and loss arising

22.7 from holding foreign securities and ADRs, including tax consequences, regardless of whether Bank discloses Customer's information to third parties or not.

22.8 Cash held in foreign currency constitutes a direct obligation of the foreign sub-custodian or depository holding such cash and is not directly or indirectly an obligation of Bank.

SECTION 23: AUTOMATIC INVESTMENT OF END-OF-DAY CASH

Customer's Sweep Direction has been made in the Application. The following provisions apply if the corresponding sweep investment option was selected in the Application.

23.1 U.S. BANK LIQUIDITY PLUS

Customer's Sweep Direction has been made in the Application. The following provisions apply if the corresponding sweep investment option was selected in the Application

23.1.1 Introduction to the Program

The maximum amount of Federal Deposit Insurance Corporation ("**FDIC**") deposit insurance coverage available for funds swept under the Program is currently \$2,500,000, subject to certain exceptions and the ability to place such cash balances, as more fully explained below ("**Deposit Limit**").

The Program sweeps Customer's anticipated end-of-day cash balances in the Account up to the Deposit Limit into money market deposit accounts and transaction accounts at banks that are participating in the Program ("**Program Banks**"). The cash balances that are swept into accounts at Program Banks ("**Deposits**") are insured by the FDIC, subject to the limits described below.

To the extent Customer has cash balances in the Account that are in excess of the Deposit Limit or that are otherwise unable to be fully placed with Program Banks on a given day (for example, if funds are received after amounts are in the process of sweeping to Program Banks or if there is an inability to get funds to a Program Bank), the Program sweeps such excess cash balances into the First American Government Obligations Fund designated in the Application, above ("**Money Market Fund**"). For information about cutoff timing for transfer to Program Banks, contact Customer's account manager. Customer's cash balances that are placed into the Money Market Fund are not insured by the FDIC, but as securities, they are segregated from the assets of Bank.

Bank has appointed IntraFi Network, LLC ("**IntraFi**") to provide certain services with respect to the operation of the Program. Customer hereby appoints IntraFi as Customer's authorized agent pursuant to these Program Terms.

CUSTOMER HEREBY INSTRUCTS BANK TO ALLOCATE THE CASH BALANCES IN THE ACCOUNT PURSUANT TO THE PROGRAM. CUSTOMER ACKNOWLEDGES THAT CUSTOMER HAS RECEIVED AND CAREFULLY READ THESE PROGRAM TERMS BEFORE ENROLLING IN THE PROGRAM.

23.1.2 Account Eligibility

In order to obtain FDIC insurance on Deposits in the Program, Customer must provide proper and correct tax identification information to Bank.

There is no minimum deposit amount to participate in the Program and no minimum balance to maintain Customer's participation in the Program. There also is no minimum period that Customer's funds must remain on deposit in the Program. There is no penalty or fees for withdrawal of Customer's entire balance, or any part thereof, at any time

23.1.3 Role of Bank and IntraFi

Bank is acting as Customer's agent in establishing and maintaining Program Bank accounts, including depositing or placing Customer's funds in and withdrawing Customer's funds from the Program Bank accounts and the Money Market Fund. Customer also appoints IntraFi as Customer's agent to effect deposits to and withdrawals from Program Bank accounts.

Bank uses IntraFi to allocate Customer's funds to the Program Banks and to perform certain other administrative tasks related to the Program. IntraFi is not, itself, a bank, broker-dealer, or investment adviser and does not hold any of Customer's Deposits.

23.1.4 Deposits with Program Banks up to the Deposit Limit

This Section contains the terms and conditions applicable to the sweep of cash balances in the Account up to the Deposit Limit into FDIC-insured Program Banks.

A. Deposits

Customer agrees to have cash balances up to the Deposit Limit automatically deposited into interest-bearing FDIC-insured omnibus deposit accounts at the Program Banks that hold Customer's and Bank's other customers' funds, and in which Customer will hold a beneficial interest. Except as otherwise provided herein, each business day, Bank, utilizing

the services of IntraFi, will deposit the cash balances in the Account up to the Deposit Limit to one or more omnibus deposit accounts maintained at the Program Banks held in the name of "U.S. Bank National Association acting as agent for customer, each acting for themselves and others" or a similar title. To accommodate for accruing interest, the initial amount swept to each Program Bank will be capped at \$249,000. Customer's ownership of Deposits will be evidenced by an entry on records maintained by Bank for each of the Program Banks at which Customer's funds are on deposit.

Customer will not be issued any evidence of ownership of a Program Bank account, such as a passbook or certificate. However, Customer's Account statement will reflect Program Bank deposit balance(s).

B. FDIC Deposit Insurance: Operation and Limitations

Customer's Deposits are deposited into interest-bearing omnibus deposit accounts at the Program Banks in a manner currently designed to provide Customer with up to \$2,500,000 of FDIC deposit insurance coverage, subject to certain exceptions described herein. FDIC deposit insurance coverage is normally available for Customer's Deposits up to the FDIC standard maximum deposit insurance amount ("**SMDIA**"), which is currently \$250,000 per legal category of account ownership at each participating Program Bank when aggregated with all other deposits held by Customer in the same Program Bank and in the same legal category of account ownership. Customer's coverage under the Program will be limited to the extent that Customer holds deposits directly, or through others, in the same recognized legal category of

ownership at the same Program Banks as Customer holds Deposits through the Program. Thus, the maximum amount of Deposits eligible for FDIC insurance coverage would not exceed the SMDIA per legal category of account ownership multiplied by the number of participating Program Banks that Customer has not excluded from receiving Customer's Deposits under the Program, less any funds that Customer may hold in a Program Bank outside of the Program in the same legal category of account ownership.

In general, the FDIC-recognized categories of account ownership include single ownership accounts; accounts held by an agent, escrow agent, nominee, guardian, custodian, or conservator; annuity contract accounts; certain joint ownership accounts; certain revocable trust accounts; accounts of a corporation, partnership, or unincorporated association; accounts held by a depository institution as the trustee of an irrevocable trust; certain irrevocable trust accounts; certain retirement and other employee benefit plan accounts; and certain accounts held by government depositors ("**Ownership Categories**"). For the purposes of the Program, any custody accounts with the same tax ID will be grouped by types in the following categories for the purpose of determining deposit flow to Program Banks: trusts, personal (sole owner or joint owner), business/government (corporations, partnerships, LLCs, and similar types of entities), and benefit plan accounts (for example, IRA custody accounts, to the extent that Customer has completed additional documentation to enroll such accounts in the Program).

Until Customer's funds are actually received by the Program Banks, Customer's funds may be insured at Bank, or at its Settlement Agent, The Bank of New York Mellon, while they are held by such institution up to \$250,000 in total (to the extent that Customer do not have other deposits with Bank or the Settlement Agent). IntraFi, as Customer's agent, allocates Customer's cash balance up to the Deposit Limit among the Program Banks to seek to maximize the potential FDIC deposit insurance coverage available under the Program up to the Deposit Limit.

Bank and IntraFi will use commercially reasonable efforts to ensure that no more than \$250,000 of Customer's swept cash balances will be deposited in any single Program Bank through the Program. If Customer holds deposits in a Program Bank outside of the Program, Bank and IntraFi will not take those deposits into account in determining whether to allocate Customer's funds in the Program to a particular Program Bank. Because Bank and IntraFi would not be aware of deposits made by Customer outside of this Program, Customer is solely responsible for monitoring the total amount of all deposits Customer has at each Program Bank for purposes of calculating Customer's FDIC coverage and directing Bank to exclude particular Program Banks using the form provided.

If, for any reason, the amount deposited in any Program Bank account exceeds the applicable SMDIA, the excess Deposit amount would not be insured by the FDIC. Neither Bank nor IntraFi, shall have any liability for any insured or uninsured portion of Customer's Deposits in any of the Program Banks.

The FDIC protects Customer against the loss of Customer's insured Deposits in the event a Program Bank fails. FDIC deposit insurance is backed by the full faith and credit of the United States. In the event that FDIC deposit insurance payments become necessary, Bank will assist Customer in completing required FDIC paperwork or filing on Customer's behalf by providing Customer's account information to the FDIC. However, there is no specific time period during which the FDIC must make insurance payments available. Furthermore, Customer may be required to provide certain documentation to the FDIC before insurance payments are made.

For questions about FDIC insurance coverage, Customer may call the FDIC at 877-275-3342 or visit the FDIC's web site at www.fdic.gov.

C. Program Banks

Customer acknowledges that it has received a list of the Program Banks that will be used for the Account and understands that such is also available at (or such other web address identified from time to time on Customer's Account statement, "**Program Website**"). Contact Customer's account manager at Bank or Customer's investment manager for the current web address of the Program Website or for questions regarding any change to the Program Website. Customer may obtain a current list of Program Banks at any time by contacting Bank or visiting the Program Website. Customer's

periodic Account statements also list the Program Banks that hold Customer's Deposits and the amount in each of those Program Banks as of the statement date. In the event a Program Bank rejects additional deposits, withdraws entirely, or is terminated from participation in the Program, then Customer hereby authorize and direct that Customer's Deposits

be moved to another FDIC-insured Program Bank. As such, the Program Banks that hold Customer's Deposits will typically be in the order appearing on the list of Program Banks ("**Bank List**"). Customer understands that the Bank List may change during a statement period. Visit the Program Website frequently to view the current Bank List. If Customer wants to know the Program Banks at which Customer's Deposits are located at any particular time, contact Customer's account manager.

Each Program Bank is a separate FDIC-insured depository institution. Customer can obtain publicly available financial information for all Program Banks at the FDIC's website at www.fdic.gov; or by contacting the FDIC Division of Depositor and Consumer Protection by letter at 550 17th Street, N.W., Washington, D.C. 20429-9990 or by phone at 877-275- 3342. Neither Bank nor IntraFi guarantees the financial condition of any Program Bank, or the accuracy of any publicly available information concerning a Program Bank. Customer expressly consent to Bank, IntraFi, and their service providers providing Customer's customer account information to Program Banks for purposes of Customer's involvement in the Program, as required by applicable law or FDIC regulations.

Bank may add additional Program Banks or delete Program Banks without prior notice to Customer. The order of Program Banks on the Bank List may be changed without prior notice to Customer. Cash balances will be automatically deposited in the Program Banks in the order set forth in the Bank List, subject to Customer's instructions to exclude a particular Program Bank and Bank's ability to place such cash balances with a particular Program Bank. IntraFi may transfer balances between Program Banks in such manner as it determines to be appropriate and consistent with the objectives of the Program, subject to Customer's instructions to exclude a particular Program Bank. Customer hereby

agree to receive notice of Program Bank list changes (additions, deletions, or reordering) by consulting the Program Website periodically or by referencing the Account statement to see a breakdown of where Customer's Deposits in the Program are held.

The Program Bank accounts established by Bank as Customer's agent constitute direct obligations of the Program Bank(s) and are not directly or indirectly an obligation of IntraFi. The Program Bank accounts established by Bank as Customer's agent, other than at U.S. Bank National Association are not directly or indirectly an obligation of Bank.

D. Ability to Exclude Program Banks

Customer may exclude any Program Bank from holding Customer's Deposits by notifying Bank using the opt-out form provided by Bank. Requests to exclude a Program Bank typically will be processed on the next business day after received by Bank, or promptly thereafter. If Customer exclude any Program Banks, the maximum level of FDIC insurance available under the Program may decrease.

E. Interest

Customer receives interest on the balance of Customer's Deposits held at the Program Banks. The amount of paid interest applicable to Customer's Deposits will be stated on the Account statement. The interest rate paid to Customer is subject to change at any time. Changes in interest rates applicable to Customer's Deposits will be posted on the Program Website. Bank strongly encourages Customer to regularly check the Program Website for information about current rates or changes, especially whenever the Federal Reserve has announced or is expected to announce a change in rates.

Interest will be posted monthly to the Program Bank account unless an event occurs that results in interest posting sooner. Interest will accrue on deposits from the day they are received in investible form by the Program Bank through the business day preceding the date of withdrawal from the Program Bank. The "daily balance method" is used to calculate interest. This method applies a daily periodic interest rate to the principal in the account for the period. The daily rate is 1/365 (or 1/366 in a leap year) of the applicable annual rate.

The interest rate Customer earns on Customer's Deposits may be higher or lower than the rates available to depositors making non-Program deposits with Program Banks directly, through other types of accounts at Bank, or with other depository institutions in comparable accounts. Customer should compare the terms, rates of return, required minimum amounts, charges and other features of a Deposit with other accounts and investment alternatives.

F. Compensation and Fees

Each Program Bank may profit from the difference between the interest it pays on Deposits and the income it earns on loans, investments, and other business operations.

Each Program Bank may pay Bank and/or IntraFi fees for its services related to Customer's Deposits equal to a percentage of the average daily Deposit balance in the accounts at the Program Bank. Bank may share such fees with IntraFi. The amount of any fees a Program Bank pays could directly affect the interest rate paid by the Program

Bank on Customer's Deposits. The fees paid to Bank and/or IntraFi by each Program Bank may vary. Bank and IntraFi may earn a higher fee if Customer participate in the Program than if Customer invest in other investment products.

23.1.5 Money Market Fund Investment for Amounts not Held by Program Banks

This Section contains the terms and conditions applicable to the sweep of any cash balances in the Account into the Money Market Fund. Any cash balance in the Account in excess of the Deposit Limit will not be swept into Program Banks (as described above), but will be swept into the Money Market Fund. Customer's deposits that are placed in the Money Market Fund are not FDIC-insured.

The Money Market Fund is registered with the U.S. Securities and Exchange Commission ("**SEC**") as a registered open-end investment company under the Investment Company Act of 1940 and its shares are registered for public distribution under the Securities Act of 1933. Although the Money Market Fund's net asset value ("**NAV**") is normally expected to be \$1.00 per share, there is no guarantee that the Money Market Fund will be able to preserve the NAV per share and Customer could lose money by investing in the Money Market Fund.

Customer acknowledges that Customer has received the Money Market Fund prospectus and understands the information in the prospectus regarding the Money Market Fund's fees and expenses. U.S. Bancorp Asset Management, Inc. is the Money Market Fund's investment adviser and provides shareholder services, U.S. Bancorp Fund Services, LLC provides accounting, administration, and transfer-agent services, and Bank is the custodian of the Money Market Fund's assets. U.S. Bancorp Asset Management, Inc. and U.S. Bancorp Fund Services, LLC are affiliated with the Bank. Customer acknowledges that investment advisory, custodial, distribution and other services will be provided, for compensation, to the Money Market Fund by Bank and its affiliates. The fees received by Bank and its affiliates are described in the Money Market Fund prospectus. Please see the prospectus for the Money Market Fund for additional information, including the Money Market Fund's investment objective and strategy and the risks of investing in the Money Market Fund.

CUSTOMER UNDERSTANDS THAT THE MONEY MARKET FUND IS NOT INSURED BY THE FDIC AND THAT THE FUNDS ARE NOT OBLIGATIONS OF NOR GUARANTEED BY BANK, INTRAFI, ANY OF THEIR AFFILIATES, OR ANY BANK. CUSTOMER FURTHER UNDERSTANDS THAT INVESTMENT IN THE MONEY MARKET FUND INVOLVES RISKS, INCLUDING THE POSSIBLE LOSS OF PRINCIPAL.

While a registered investment company, such as a money market mutual fund, is bound by fiduciary obligations to its shareholders to seek the highest rates prudently available, Bank, IntraFi, and the Program Banks are under no such obligation.

23.1.6 Withdrawals

Each business day, as needed to pay for purchases made in the Account or other withdrawals from the Account, Bank or its agent bank will withdraw Customer's cash from the Program Bank accounts and Money Market Fund (if applicable). Customer consents to have Customer's funds automatically withdrawn from the Money Market Fund and/or the Program Bank accounts in the event of a debit in the Account. Withdrawals will generally be processed on a "Last In First Out" basis, meaning the amounts in the Money Market Fund or the lowest Program Bank on Customer's bank list will be withdrawn first.

Under federal regulations, Program Banks may reserve the right to require seven (7) days' notice before permitting a transfer of funds out of a money market deposit account or certain transaction accounts. While the Program Banks have not indicated their intention to implement such a policy, a Program Bank may, at any time, choose to do so.

Redemption of Customer's holdings in the Money Market Fund (if any) will be processed in accordance with the policies described in the Money Market Fund's prospectus.

Customer cannot directly withdraw funds allocated through the Program from any of the Program Banks or the Money Market Fund.

If Customer request a complete withdrawal or the Account is closed for any reason, Customer may have to wait a period of time for all of the interest to be posted to the Account since interest can only be credited to the Account once interest is credited by the Program Banks to the Program Bank accounts. Depending on when the Program Banks post interest to the Program Bank accounts, there could be a delay between the date of Customer's withdrawal request and the date on which Customer receives all of the interest that accrued in the Program Bank account up to the effective date of Customer's withdrawal.

23.1.7 Account Statements

Activity with respect to Customer's participation in the Program, including interest earned for the period, dividends received for the period, and the total of Customer's Deposit balances and Customer's shares of the Money Market Fund, will appear on Customer's periodic Custody Account statement. If Customer receives consolidated account statements for multiple accounts, such statement will not include a breakdown by Program Bank. Customer will not receive a separate statement from the Program Banks or the Money Market Fund

23.1.8 Customer's Responsibility to Monitor Automatic Cash Investment Options

Customer is responsible for, and should speak with Customer's investment manager about, monitoring this automatic sweep option for the Account. As returns on the Deposits, the Money Market Fund, Customer's personal financial circumstances and other factors change, it may be in Customer's financial interest to invest in other investment vehicles. Contact

Customer's investment manager for other investments that may be available. Bank is not Customer's investment manager and does not exercise any discretion when administering the Program and Customer acknowledges that it has not relied on any investment advice from Bank in selecting the Program for the Account's automatic sweep option.

23.1.9 Risks of the Program

Customer may receive a lower rate of return on funds swept through the Program than on other types of investments. Under Federal regulations, Program Banks are permitted to impose a seven (7) day delay on any request to withdraw Deposits from a money market deposit account or certain transaction accounts; Program Banks may choose to do so at any time. In the event of a failure of a Program Bank, there may be a time period during which Customer may not be able to access Customer's Deposits.

If Customer holds deposits at a Program Bank outside the Program, this may reduce the availability of FDIC insurance for the total amount of Customer's funds held within and outside the Program. If Customer exclude a Program Bank, the amount of deposit insurance available to Customer under the Program (currently \$2,500,000) may decrease.

Customer's investment in the Money Market Fund is not insured by the FDIC and are not obligations of nor guaranteed by Bank, IntraFi, or any of their affiliates. Money market mutual funds are subject to investment risks and may lose value, including possible loss of principal. There is no guarantee that money market mutual funds will maintain a stable net asset value. Read the Money Market Fund's prospectus before investing.

23.1.10 Other Terms

Ordinary Care: Customer agrees that any act or omission made by Bank or any Program Bank in reliance upon, or in accordance with, any provision of the Uniform Commercial Code as adopted in the State of Minnesota, or any rule or regulation of the State of Minnesota, or a federal agency having jurisdiction over such party shall constitute ordinary care.

Alternatives to the Program: Customer understands that, at any time, Customer may opt-out of the Program. Consult with Customer's investment manager to opting out of the Program to see what alternatives may be available to Customer. If Customer does not designate a replacement automatic end-of-day cash investment option for the Account that is agreed to by Bank, the amounts in the Account will remain in the Account as non-interest-bearing uninvested cash to the extent that Customer does not manually manage end-of-day cash balances with daily purchase transactions.

Aggregation of Funds in Multiple Accounts: If Customer has more than one custody account in the Program with the same tax identification information and Ownership Category type (for example, personal, trust, business), the funds in all such custody accounts may be aggregated for the purpose of determining how Customer's cash balances are placed in the Program. As a result, the cash balances in each of the custody accounts, when viewed separately, may appear to be placed with Program Banks in a different order than is set forth in the Bank List for each particular custody account. Cash balances placed at Program Banks through multiple custody accounts with the same tax identification information and Ownership Category typically will not rebalance up the Bank List even if another similar custody account's Deposits are fully withdrawn. Customer should review each separate custody account statement together in the aggregate. In the event that Customer has multiple investment managers each handling different custody accounts, each of Customer's custody accounts in the Program may be subject to a different Bank List. If the same Program Bank appears on the Bank List for more than one of Customer's custody accounts in the Program, then to exclude the Program Bank from all of Customer's custody accounts in the Program Customer will need to separately complete the Program Bank opt-out form for each custody account.

Clearinghouse Rules: Unless otherwise provided herein, Bank may comply with applicable clearinghouse, Federal Reserve and correspondent bank rules in processing transactions related to the Program. Customer agree that Bank is not required to notify Customer of a change in those rules, except to the extent required by law.

23.2 U.S. BANK NON-INTEREST BEARING DEPOSIT

This Section of the Agreement applies if the U.S. Bank Non-Interest-Bearing Deposit sweep option is selected as the end-of-day cash sweep option for the Account. Customer hereby acknowledges that uninvested cash is swept to a non-interest bearing deposit account at U.S. Bank National Association for the benefit of Bank's customers. Customer acknowledges that (i) the Non-Interest-Bearing Deposit Account is owned by Bank on behalf of its customers, (ii) all deposits and withdrawals from such account are performed and controlled by Bank, and (iii) cash shall be insured by the FDIC, as determined under FDIC regulations, subject to applicable limits (typically, up to \$250,000 per depositor for all deposits such depositor holds at U.S. Bank National Association).

23.3 OTHER (MUST BE AGREED TO BY BANK AND DESIGNATED ADVISOR; MAY IMPACT ACCOUNT FEES)

23.3.1 This Section of the Agreement applies if Customer was approved to use an investment other than U.S. Bank Liquidity Plus

23.3.2 or the Non-Interest Bearing Deposit as their end-of-day cash sweep option for the Account.

23.3.3 Customer hereby acknowledges and confirms that Customer has received and read any prospectus or other documentation relating to such investment, understands any fees or affiliations of such investment with Bank, and has reviewed the materials below referred to U.S. Bank Important Investment Disclosures.

23.3.4 This authorization and direction shall continue in effect with respect to the identified investment should investment be merged with or into another investment.

SECTION 24: E-SIGN AUTHORIZATION AND CONSENT

24.1 E-Sign Compliance and Consents

If this Agreement is executed using a third-party e-sign service, Customer agrees that this Agreement and its execution comply with the Electronic Signatures in Global and National Commerce Act, and with any applicable state and local law governing the electronic formation and signature of contracts, as amended from time to time, and will not be denied legal effect, validity, or enforceability solely because the Agreement is in electronic form or an electronic signature or electronic record was used in its formation. Customer consents to the provision of Customer's personal information to any third-party e-sign service and Customer consents such service's permanent retention of such data on behalf of Bank. Customer assumes all risk and liability relating to the electronic formation or electronic signature of this Agreement, whether resulting from or in (a) a denial of legal effect, validity, or enforceability of the Agreement; (b) a breach of confidentiality, privacy, or security; or (c) any other cause or in any other consequence. Customer hereby waives any defense that the Agreement is ineffective, invalid, or unenforceable solely because the Agreement is in electronic form or an electronic signature or electronic record was used in its formation.

U.S. Bank Important Investment Disclosures

Mutual fund compensation and related mutual fund disclosures

Mutual funds are open or closed end, pooled investment vehicles that are considered investment companies. They must be registered with, and are regulated by, the Securities Exchange Commission under the Investment Company Act of 1940. U.S. Bancorp, or its affiliates, including U.S. Bancorp Asset Management, Inc. (USBAM), U.S. Bank N.A. (USBNA) and U.S. Bancorp Fund Services, LLC dba U.S. Bank Global Fund Services (USBFS) (hereafter together U.S. Bank) have entered, and will from time to time enter, into agreements with mutual funds and/or their sponsors, service providers and affiliates whereby U.S. Bank receives compensation, as applicable, for investment advisory services, shareholder services, administration, custody, securities lending, accounting, transfer agency, sub-transfer agency, National Securities Clearing Corporation (NSCC) networking, distribution, principal underwriting and other services rendered to, or on behalf of, mutual funds. For these services, U.S. Bank generally receives a percentage compensation (basis points), based on account assets invested in a mutual fund and determined using the average daily net assets held by the account in that fund. This compensation does not increase the fees paid by an account beyond the fees described in the account fee schedule and the fund's prospectus. This Disclosure describes the compensation U.S. Bank receives for services it performs. This Disclosure should not be considered investment advice.

First American Funds, Inc. money market funds: The First American Funds, Inc. money market funds are U.S. Bank affiliated funds managed by USBAM. U.S. Bank provides services to these funds, which may include providing administration, custody, shareholder, transfer agent, accounting, distribution and principal underwriting services.

U.S. Bank receives fees for these services as shown in the schedule below. U.S. Bank may waive a portion of the fees it is entitled to receive for providing services to the First American Funds, Inc. (Total Fees). Total Fees equal the Gross Advisory Fees and Gross Other Fees & Expenses and are stated before any waivers. Net Fees & Expenses shown below are stated after any contractual waivers. Contractual fee waivers may be terminated with the approval of the fund's board of directors. Gross Other Fees & Expenses may vary slightly based on charges for services rendered, but the basis for calculating these amounts does not change. You authorize the fees paid by the funds and received by U. .S. Bank up to the Total Annual Fund Operating Expenses disclosed in the prospectuses.

Nuveen Mutual Funds: Firststar Capital Corporation (Firststar Capital), an affiliate of U.S. Bancorp, holds a less-than- 10 percent ownership interest in Windy City Investments Holdings, LLC, which was formerly the parent of Windy City Investment, Inc. and the indirect parent of Nuveen Fund Advisors, LLC, which is the investment advisor to the Nuveen Mutual Funds. On October 1, 2014, Windy City Investments, Inc. was sold to Teachers Insurance and Annuity Association of America. As a result of the sale, U.S. Bancorp no longer has an indirect ownership interest in Nuveen Fund Advisors, LLC. Depending on the outcome of certain factors, Firststar Capital might in the future receive an earn-out payment related to its interest in Windy City Investment IRA account, to the extent the earn-out payment is attributable to the account’s interest in Nuveen Mutual Funds, U.S. Bank will credit to the account a proportionate amount of the payment. Importantly, the sale changed neither the services that U.S. Bank expects to provide to the accounts holding Nuveen Mutual Funds nor the compensation that U.S. Bank expects to receive for providing such services.

Other Mutual Funds: U.S. Bank has entered into agreements with mutual funds other than First American Funds, including the Nuveen Mutual Funds (Other Mutual Funds) or with Other Mutual Funds’ service providers (including investment advisors, administrators, transfer agents or distributors) whereby U.S. Bank provides services for a fee to, or on behalf of, the Other Mutual Funds. Services may include, as applicable, custody and shareholder services provided by USBNA (fee rates for these services may be up to 100 basis points, though more generally fees range from one to 40 basis points), networking services provided by NSCC (fee rates for these services may be up to 140 basis points), accounting, administration and sub-transfer agency services provided by USBFS (fee rates for these services may be up to 30 basis points) and USBFS employees may also serve on the board of directors or as officers of Other Mutual Funds at no additional charge.

U.S. Bank has also entered into an agreement with National Financial Services, LLC (NFS) to provide shareholder and administration services for, or on behalf of, NFS, Fidelity Brokerage Services, LLC and the Other Mutual Funds available on the NFS platform (fee rates for these services may be up to 36 basis points). The fees received by U.S. Bank include 12b-1 fees.

U.S. Bank will receive shareholder servicing compensation of up to 12.5 basis points on account assets invested in the Nuveen Mutual Funds.

Fees received by U.S. Bank from Nuveen Mutual Funds, Fidelity and Federated Money Market Mutual Funds, Other Mutual Funds and NFS are not in addition to, and do not increase, fund operating expenses or other fees and expenses as described in the applicable prospectuses.

Securities lending: U.S. Bank receives fees from the First American Funds, Inc. for securities lending services, as applicable, of up to 20 percent of each fund's net income from securities lending transactions as addressed in the prospectuses. U.S. Bank receives fees from Nuveen Mutual Funds and Other Mutual Funds for securities lending services, which are generally calculated as a percentage of each fund's net income from securities lending transactions, as addressed in the prospectus.

Other important information: USBAM is a registered investment advisor and a wholly-owned subsidiary of USBNA. USBAM serves as investment advisor to First American Funds, Inc. U.S. Bank is not responsible for and does not guarantee the products, services or performance of USBAM.

If investing in mutual funds, each fund's investment objectives, risks, charges and expenses must be considered carefully before investing. The prospectus contains this and other important information. Please contact the fund or a member of your relationship team for a copy. Read the prospectus carefully before investing.

Mutual fund investing involves risk and principal loss is possible. Investing in certain funds involves special risks, such as those related to investments in small- and mid-capitalization stocks, foreign, debt and high yield securities and funds that focus their investments in a particular industry. Please refer to the fund prospectus for additional details pertaining to these risks.

Private Investment Fund disclosure

"Private Investment Funds" or "Private Funds" are pooled investment vehicles that are excluded from the definition of investment company under the Investment Company Act of 1940 by section 3(c)(1) or 3(c)(7) of that Act. The term Private Fund generally includes funds commonly known as hedge funds and private equity funds. USBNA and USBFS may enter into agreements with Private Funds or with their service providers, whereby USBNA and USBFS provide services to such funds and receive fees or compensation for these services from the funds or the funds' sponsors or agents. USBNA services provided include, as applicable, trust and administrative services including collateral custody, collateral agent, administrative and reporting functions, registrar, paying agent, loan administration, escrow, document custody, back-up servicer services, deposit account services, and various lending services to the fund and/or its investments including direct loans, revolving credit facilities and other extensions of credit and loan administration. USBFS services provided include, as applicable, fund administration including accounting, shareholder services, transfer agency and reporting services. For the types of fees charged to any Fund, see the Fund issuer's private placement offering documents. Fees received by U.S. Bank from Private Funds are not in addition to, and do not increase, fund operating expenses or other fees and expenses as described in the applicable Fund's offering documents.

Other important information: Private Investment Funds are speculative and involve a substantially more complicated set of risk factors than traditional investments such as stocks or bonds, including use of derivatives, leverage and short sales which can magnify potential losses or gains.

Restrictions may exist on the ability to redeem or transfer interests in a Private Investment Fund. Investors considering an investment in Private Investment Funds must be fully aware that these investments are illiquid by nature, typically represent a long-term binding commitment and are not readily marketable. The valuation procedures for these holdings are often

subjective in nature.

Private Investment Funds are not suitable for every investor even if the investor meets the financial eligibility requirements. It is important to consult with your tax and investment professional to determine how these investments might fit your asset allocation, risk profile and tax situation.

Private Investment Funds are offered to you by the Fund issuer with a private placement memorandum (“PPM”), which a prospective investor must carefully read for a more complete description of fees, risks and restrictions. For more information, contact your Portfolio Manager or a member of your relationship team.
